

Harlow House Updates

Quarterly Feature: Winter 2014

By Martha

Welcome to Harlow House, Allison! After the board interviewed several candidates, they were very impressed by Allison Beechman Barkley's qualifications, and decided to hire her as operations manager and interim assistant director.

She boasts an impressive resume of professional museum experience, including a decade as assistant director at nearby Fenyes House, and previously as a registrar at LACMA. She has an MA in Museum Studies from Johns Hopkins University, and a PhD in Art History from Harvard!

Allison will replace Susan Atkins as operations manager, and a little bird told us that she is also in line to replace John Arthur Harlow as director of Harlow House when he retires.

Welcome Allison, we can't wait to be working with you!
